During the warmer months of spring and summer, the side coverings are removed, but the permanent roof remains in place for continuous shelter. The pergola's total outdoor seating can accommodate up to 100 guests standing and 70 guests seated. Private bar option and designated smoking area. The Bar

Our main indoor bar and our outdoor pergola bar offer a splendid selection of wines, local ales and draught beers, handcrafted cocktails and mocktails, classic spirits, and refreshing picks for any occasion. The Marquee bar has a slightly more limited selection, but it does serve two draughts – one lager and one cider – plus we can arrange mini barrels of ale from our trusted supplier upon request. We can also serve almost anything the other two bars do, if we arrange it in advance.

Package deals are also available for a minimum of 40 guests.

The most popular ones include:

- Fizz or cocktail reception: Prosecco or Pimms for £4pp
- Drink on arrival: Guests can choose between a glass of bubbly, a non-alcoholic sparkling or a bottle of beer for £4.50pp
- Dinner party: Prosecco reception, half a bottle of wine per guest and glass Crémant for toasting starting at £31pp

You can also choose a tab with a set amount, have an open bar or 'cash' bar.

FAQ

Is there parking on site?

While our main car park has ample capacity, this is reserved for guests of the main pub. For weddings, there are five spaces included, we kindly ask that you arrange transportation for the rest of your guests.

How does pricing work?

It's very simple, if you wish to hire for exclusive use any of our spaces, there is a base hire fee on top of which you may choose to add a catering package or a drink deal.

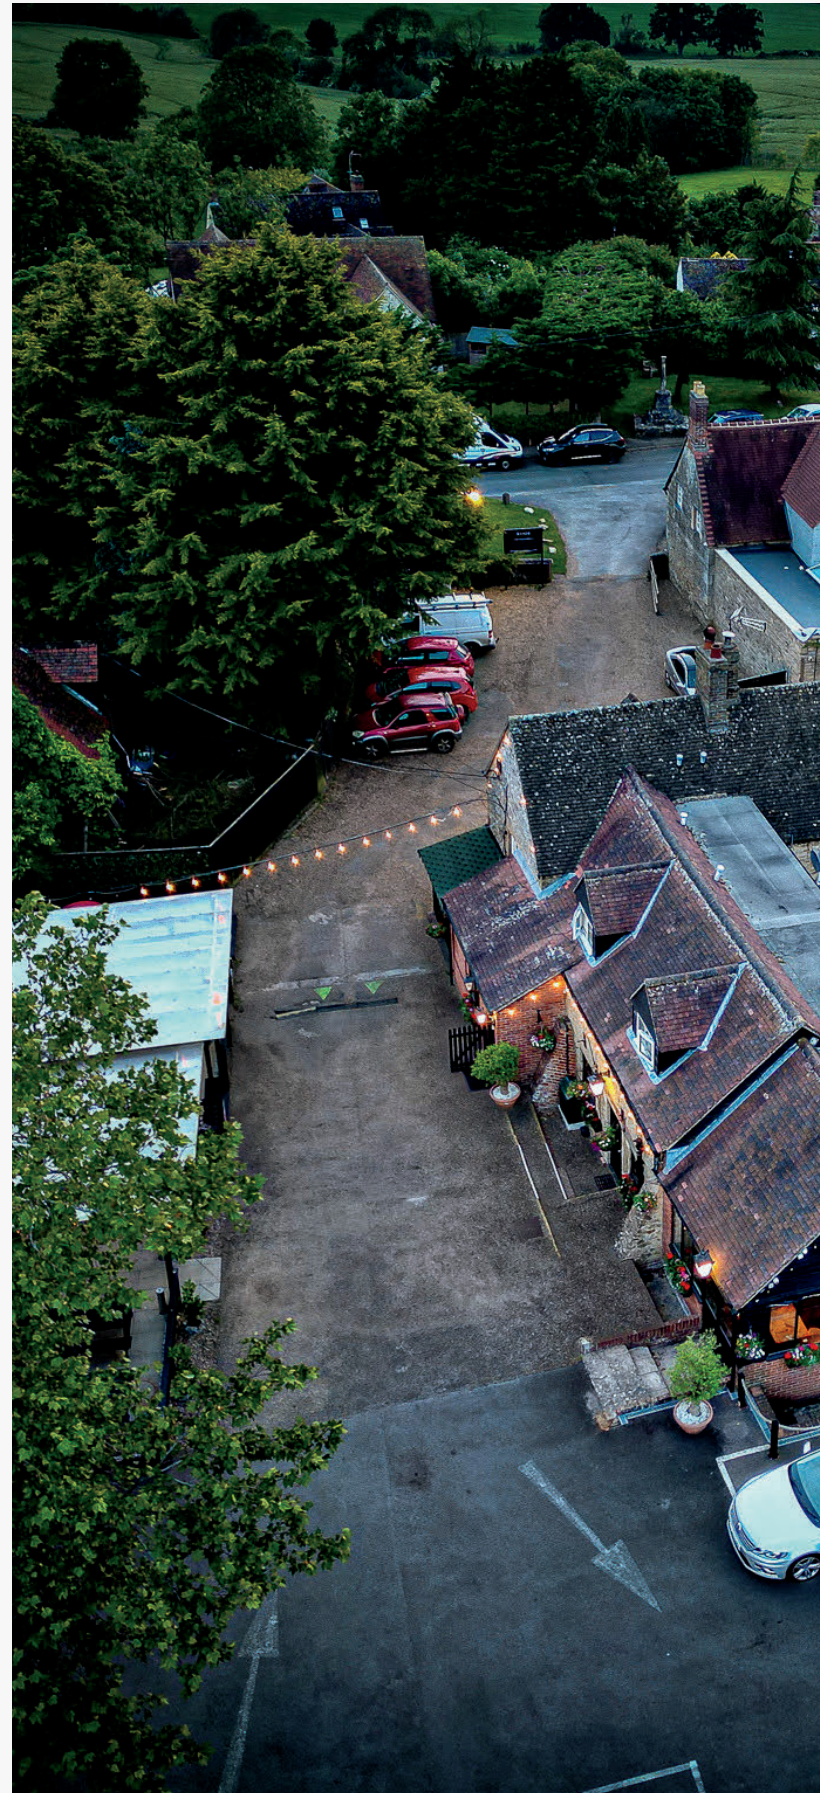

Can I bring my own food/drinks?

We do not allow BYO drinks, except bottles of wine where a corkage fee of £10 per bottle applies. For up to 10 bottles. We also do not allow external catering, besides exceptional cases where we are not able to accommodate a certain cuisine, for example.

How long do I have the space for?

Events with us usually last anywhere from 2 to 5 hours, depending on our availability and your expectations. You are allowed access to the space a maximum of one hour ahead of your scheduled event time.

In the effort to provide the best service, we only book one wedding reception at a time. Regardless what time your party starts, the Marquee is yours for the entire day!

Can I decorate?

Please note: we have a very strict policy **against** glitter, confetti of any size, rice, fireworks, fire, live candles and any type of decoration that may need sticking, nailing or hanging to the structure (such as decor secured with tape or thumbtacks, banners tied to the poles etc.). All decor must be cleared as soon as the event has come to an end and space returned to the condition it was handed.

Are you licensed for civil ceremonies?

Unfortunately, at the moment we are not.

Do you have accommodation?

Sadly, we do not have any available at the moment.

Can I bring a DJ or a live band?

Yes, you can bring a DJ or a live band with prior approval only. Please note due to our rural location, **volume restrictions** are in place - the manager on duty will monitor the volume in such a way that is not clearly audible past the premises boundaries as to not disturb our neighbours. Our licence allows live outdoor music until 10pm, background music from our own sound system can be arranged afterwards.
